EPSON®
EXCEED YOUR VISION

The Number One Projector Brand In The World.

Combining best-in-class value with world-class performance, our business projector line-up delivers powerful image quality, incredible color, and the advanced features you need to enhance collaboration while ensuring a total low cost of ownership.

Long Lasting, Energy Efficient E-TORL™ Lamps:

Maximizes light using micro-reflectors. Saves on expenses without sacrificing light output or clarity of detail.

Lens Shift:

Provides installation flexibility. Vertical and horizontal shift makes installing around room obstacles easy.

Direct On/Power Off:

On/Off power of installed projectors controlled by simple outlet switch.

Quick-Connect Wireless and USB Key:

Makes projecting wirelessly from a PC easier than ever. Creates an ad-hoc connection to the projector from a PC.

Closed Captioning:

A built-in closed captioning decoder means convenience and savings. No additional hardware or software are required to project closed captioning on the big screen or in a conference room.

Native WXGA (1280x800) Resolution:

Ensures amazing detail and makes it easy to deliver images from your widescreen computer or HD video content — all with amazing clarity.

Easy One-Step Plug n' Play Capability:

Just connect the projector to a PC using a standard USB cable. Eliminates the need for bulky VGA cable or computer function keys to begin the presentation.

EasyMP®:

Easy monitoring and control. Check and control networked projector settings remotely, even via the web, with included software. Wired or wireless connectivity with advanced wireless security. Enables multi-screen display and other presentation features.

3LCD Technology:

3 chips in EVERY projector for full-time color. With its 3-chip design, 3LCD delivers clear and vibrant images, so true-to-life you may not believe your eyes.

Comprehensive Warranty with Convenient Road Service

Epson projector customers receive first-class service wtih Epson's standard 2-Year limited warranty, including next business day Road Service and a dedicated toll-free support line.*
